Opsomming

'N epiëse avontuur in waansin, is hierdie reeks van alternatiewe geskiedenis kortverhale, verken die kettings wat bind die menslike gees na die herhaling van oorlewing.

~~~

Inligting alleen hou geen waarheid in hom is, tot deel van sy hele oor die hoof gesien is, geïgnoreer of verwyder, waarna selfs die ooglopende verstaan kan word, aanvaar of geweier word.

Die Verenigde State en die Sowjet-Unie, gedeel deur die perspektief, maar verenig in 'n geveg, vind aan die einde van 'n oorlog die begin van die volgende, die gedrukte woord se opmars na die uiteindelijke krag, op voorwaarde dat slegs deur die afstand wat dit kan dek.

## Voorwoord – Afrikaans

**M**et ons dwaal nie so 'n absoluut as die waarheid, in gedagte, in liggaam, in die gees, ons is vry om te weifel tussen werklikheid en drome op soek na 'n oorlewing van ons waardigheid waardig. Tot die werklikheid, van die wat ook al los bou van so vind ons onself verswelg deur, trek ons terug in die poedel rave hier en nou, die rigting van die las en toewyding deur die vervulling en sukkel om dit toets ons drome vir die waarheid.

Miskien is die waarheid nie wat ons gedroom het, was dit het, woorde en hul verpligte gevoelens dikwels wolk ons definisies van die meer algemene begrippe. Wie onder julle die woord spreek ironie sonder ironies? In 'n wêreld waar ons mees algemene gebruik van sulke draaie uit sy enigste definisie, stryd wat ons doen, in 'n grap daardeur so toevallig humoristiese, om te oorleef, onder dat wat lag met ons

waarhede soos dit by ons drome lag, terwyl  
nooit ook nie om óf met hierdie Fragment  
Aarde.

“O, kies jou woorde wyser. Op dié manier,” my frenetiese soektog se voorstel van sy vinger in die onaards aangesteek tonnel.

“Die Amerikaanse?” antwoord die volgende Beampte, “lewend of dood?”

“Lewe!” Ek het daarop aangedring.

“Teen die trappe op 'n dosyn vloere, as jy haastig is nie.”

“Almal belangrik,” antwoord die syfer aan die bokant, “kom uit daar rondom die hoek,” as ek dit draai.

Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

~~~

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
